

**ANNAI THERASA ARTS AND SCIENCE COLLEGE, MANGALAM
DEPARTMENT OF CHEMISTRY
CURIE CLUB OF CHEMISTRY**

**PROGRAM REPORT OF CAREER GUIDANCE FOR 12TH SCIENCE
STUDENTS**

Date: 6 January 2026

Venue: Government boys higher secondary school

Target Group: 12th Science Students

Organizer: Mrs.SAKTHIPRIYA.C Assist. Professor in physics

Objectives of the Program

- To create awareness about different career options after 12th Science
- To guide students in selecting suitable courses based on their interests and abilities
- To provide information about entrance examinations, eligibility criteria, and career prospects
- To motivate students to plan their careers systematically

Program Details

The program began with a brief welcome address, highlighting the importance of career planning at the higher secondary level. The expert person explained various career options available in **Science streams**, including:

- Engineering and Technology
- Medical and Allied Health Sciences
- Pure Sciences (B.Sc., Research-oriented careers)

An interactive question-and-answer session was conducted, where students actively clarified their doubts regarding course selection, future scope, and preparation strategies and quiz was conducted. A total of 60 students from 12th Science attended the program. The students showed keen interest and actively participated throughout the session. Finally prize distribution were conducted...

Outcome of the Program

- Students gained clarity about various career pathways after 12th Science
- Awareness about entrance exams and course requirements was enhanced
- Students felt motivated and confident to plan their future goals
- The program helped reduce confusion and anxiety related to career choices
