

ANNAI THERASA ARTS AND SCIENCE COLLEGE, MANGALAM
DEPARTMENT OF CHEMISTRY
CURIE CLUB OF CHEMISTRY
SEMINAR ON “MEDICAL CODING”
PROGRAMME REPORT

Date: 12/02/2026

Venue: Room No-OB13

Objective:

The objective of the seminar was to provide students with comprehensive knowledge about medical coding, career opportunities, required certifications, and industry expectations in the healthcare sector.

Curie Club of Chemistry in association with Department of Chemistry and Internal Quality Assurance Cell of Annai Therasa Arts and Science College, Mangalam organised a seminar on **“Medical Coding”** on 12/02/2026. The resource person **Mr S Aravind Kumar, Founder and Trainer ASPIRE**, a certified medical coding professional with extensive experience in the healthcare industry explained the fundamentals of medical coding, including the use of international classification systems and Healthcare Common Procedure Coding System. The importance of accuracy in coding for insurance claims, hospital documentation, and healthcare analytics was emphasized. The session also highlighted job prospects in hospitals, insurance companies, and multinational healthcare organizations.

Students actively participated in the interactive session and clarified their doubts regarding certification exams, salary structure, and skill requirements.

Outcome:

The programme was highly informative and beneficial, creating awareness among students about emerging career opportunities in medical coding.
