

Report on the Placement Career Guidance Conducted By FIIT JOBS – 23rd June
2026

**OBJECTIVE OF THE PLACEMENT CELL OF ANNAI THERASA ARTS AND SCIENCE
COLLEGE**

To help the students in exploring placement career opportunities for campus recruitment of students who are in the Third year.

The following organization visited the institution 23rd June 2026 participated in this Placement

INTRODUCTORY SEMINAR

Member of the FIIT JOBS gave a general introduction about their organization. Some of the important points they came up with were;

- The students who were interested in the recruiting process can register their name in the form which they had provided and to submit photocopies of certain document and passport size photography which they will collect it later.
- The career guidance process was conducted from 12 Noon to 1.15 PM.

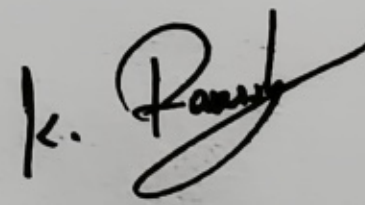

INFERENCE

All the Third year students actively participated in the FIIT JOBS placement program.

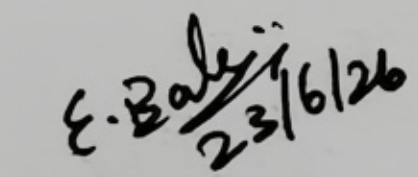

- From interest showed by the students, we can predict that the coming up programs will be great success and the objective of the placement cell will be fulfilled.
- More than that, this program helped the students both in exploring the opportunities as well as improving their personality skills.

DECLARATION We the placement cell coordinators hereby declare the report furnished above are true and correct to the best of our knowledge.
