SUB: CAMPUS INTERVIEW

Greetings,

About Shriram Group

Shriram Group was founded in 1974, mobilizing funds through chits under Shriram Chits. Today, we offer a diverse basket of financial products and solutions targeted mainly at the underbanked and unbanked segments of India's population. We are among the largest financial services conglomerates managing assets worth Rs.2.08 lakh crore across 4050 branches.

Our businesses are spread across consumer finance, business finance, vehicle finance, chit funds, asset management services, stock broking, insurance- life and general Insurance, loans for affordable housing, insurance broking and distribution of financial products.

Our growth has been achieved partnering some of the best corporates and financial investors, all of whom see us as their trustworthy partners.

About Shriram Chits

The 2,25,000 Crores Shriram Group had its humble beginning in the Chit fund business 49 years ago, by Shri. R Thiagarajan when not many financial services industries thought at that time, this Chit Fund Company would indeed be the foundation for the Financial Conglomerate that Shriram Group is today.

CHITS provides a good source of finance for different type of people and is a good means of savings for any contingency requiring substantial amount and it serves all persons whether they desire for savings or borrowing to meet extraordinary expenses on special occasions like Marriages, Education, Construction of houses etc.

For nearly 49 years now, Shriram Chits empowered over One Crore families through prosperity, disbursing over 1,00,000 Crores to chit subscribers and Small / Medium enterprises through 450 branches served by over 1 lakh agents and 2500 employees across Tamil Nadu, Andhra Pradesh, Telangana, Puducherry, Karnataka and Maharashtra.
